PASSIONS

Loving Beyond Business

PEOPLE

We cultivate a family environment in our business where children and dogs can visit, Roggers who have birthdays get special cupcakes, adhoc staff braais and lunches are where we mingle and share stories. It's about inspiring personal growth with interesting books, mentoring younger employees with wisdom from senior staff, but also listening to the youth for new fresh ideas. Acknowledging hard work with staff awards, sponsoring events, and joining forces to support our community with charity events like Mandela Day. Celebrating a culture of caring.

Check out the Rogz roovie

Check out the Academy roovie

Education is a complex issue in Africa, but our company has contributed in many ways to help with a more positive outcome. We started with a leadership program via Partners for Possibility where we partnered up with a local under-resourced school, Sophakama Primary in Dunoon, a local township near our factory. Recently, thanks to the Western Cape Government and donations from generous distributors worldwide, we help 4 local under-resourced schools with teams of young volunteers running daily programs to boost literacy and numeracy and volunteer moms who run reading programs. We support soup kitchens to feed hungry children trying to learn, and continue to support Simbulele's education. Rogz is helping to bring hope to our children through sustainable, long term support via our Rogz Academy Projects.

During the **Covid19 Lockdown crisis in 2020**, the Rogz Academy partnered with Boost Africa to help with their Food Relief Project in Cape Town, South Africa. Our Rogz Urban Farm harvested vegetables and donated to soup kitchens in our local vulnerable communities like Dunoon, Joe Slovo, Atlantis and Khayelitsha so that hungry people who had lost their jobs due to the pandemic could be helped. Various Roggerz and Distributors donated funds and helped the Rogz Academy with this Project and we participated in Cape Town breaking the World Record Mandela Day Sandwich-making Record! Our heartfelt thanks go to all of you who share our Passion to help those in need.

PASSIONS

Loving Beyond Business

URBAN FARM

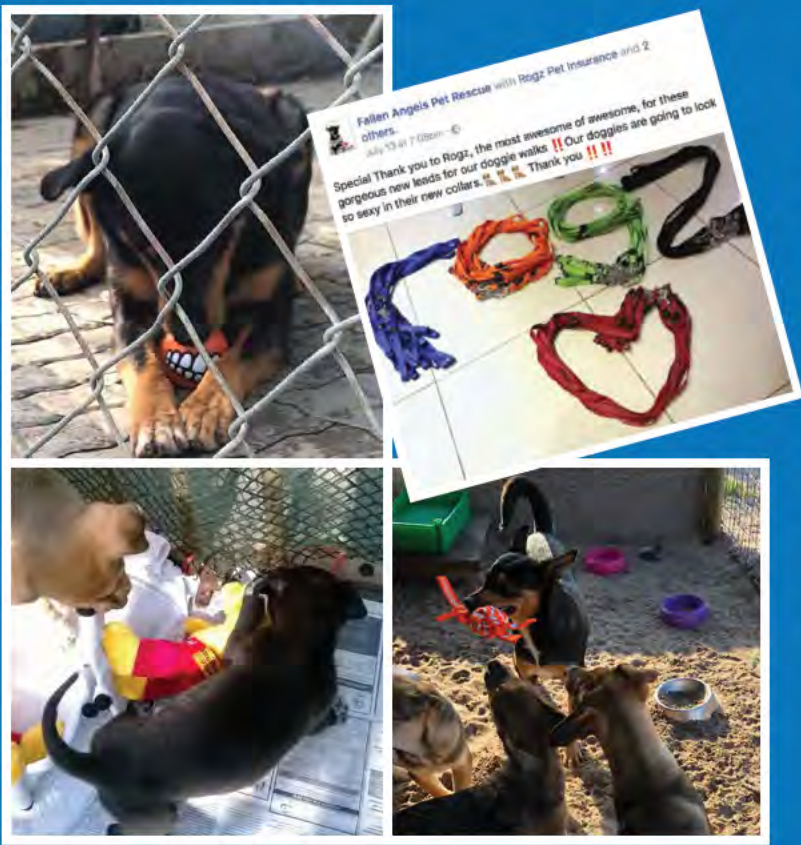

Check out the Farm roovie

Our Rogz Urban Garden is always busy, whether it's our farmers replanting, harvesting and weeding, or it's the birds and the bees buzzing and flying around pollinating. Being surrounded by the vitality of vegetables growing on our pavements is a great way to create a unique factory environment in the middle of an urban area. We use our harvest to make healthy soup for our workers in winter, and crunchy organic salads in summer, and donate produce to local soup kitchens for vulnerable communities. A hard-working compost heap, borehole water and active re-cycling projects keep Roggers grounded in their environment. The sprawling granadilla trees that climb up our building, the fruit bushes dripping with bright oranges and figs, the fresh green leaves of spinach and the bright sunflowers reaching for the sun, create an energizing space. It's a way of life!

PETS

Our caring pet brand regularly donates to various NPO's nationally - SPCA, Animal Anti-Cruelty League, Peoples Dispensary For Sick Animals, DARG, Tears, Fallen Angels and D.A.W. Our toys brighten the day of those that are left behind like Fluffy Grinz, making up for the gentle hand that would shower them with love. Our shop-soiled beds give cold dogs a cosy place to rest. Our old ID's make sure no furry child lands up being lost. And our classic collars replace old rusted chain collars often used in rural areas, with our leads to replace rope. Helping pets who are not yet in a loving "forever home".

WILDLIFE

Rogz strives to keep supporting charities that focus on Conservation Awareness through donating funds from sales of some of our products, donating products to K-9 units fighting rhino poaching and buying bracelets where proceeds go towards The Endangered Wildlife Trust's Rhino Project. It is an ongoing issue in Africa and we will continue to help where we can.

A young boy in a dark blue long-sleeved shirt and light-colored pants is walking through a dense forest. He is looking down at something in his hands. In the foreground, a light-colored dog is standing on a large, weathered log, looking towards the boy. The scene is filled with sunlight filtering through the green leaves, creating a bright and natural atmosphere.
