Vision: To become the leading provider of products and services to our customers in the Canadian animal health market.

Mission: To develop a long-term, successful, strategic relationship with our customers and our vendor partners.

Values: Service to our customers is our primary duty and the most vital component to our partnered success.

Established in 1969 by Dan and Cassy Kane, Kane Veterinary Supplies is a Canadian wholesale distributor and manufactures agent. Kane provides excellence in distribution of the highest quality, cutting edge, value-laden products to the veterinary, pet, agricultural and equine markets across Canada.

Today, Kane has two full-service branches – Edmonton, Alberta and Cambridge, Ontario. Day-to-day inventory consists of over 12,000 items including vet supplies and pharmaceuticals, pet food and toys, animal ID products, and pest control items.

“A large part of our success is due to our diverse product selection – we offer items for the entire animal spectrum,” says Director of Canadian Operations, Steve Olsson. “This diversity is also displayed as a strength in our experienced staff members.”

In October 2007, Kane Veterinary Supplies Ltd. joined the Animal Health International, Inc. family group of companies (who in 2015 joined Patterson Companies Inc.).
