**DIRECTIONS FOR USE:**

**SHAKE WELL BEFORE USING:** This product has a special valve that sprays in all directions even upside down for hard to reach areas. Spray at least 120 cm from all objects and aim nozzle away from person. Press button firmly to spray.

**TO KILL INDOOR PESTS:**

**FLYING INSECTS:** Flies, Mosquitos, Hornets, Wasps, Biting Midges and Flying Moths. Close doors and windows. Direct mist upwards in circular motion to all parts of the room especially windows and other light sources. Apply 6-10 seconds burst per 30 m<sup>3</sup> of space. Whenever possible, keep doors and windows closed for 15 minutes after each treatment. Also direct mist into areas where insects are present. Keep spray at least 1m from interior wall, fabrics and furniture. Spray directly on insects for fastest action.

**CRAWLING INSECTS:** Cockroaches, Ants, Spiders, Silverfish, Crickets, Centipedes and Carpet Beetles. Spray THOROUGHLY into hiding places such as cracks, crevices, openings around sinks drains and pipes, under refrigerators, baseboards, moist areas, behind cabinets and storage areas.

**ANTS:** Spray ant trails, around door sills, window frames, or in ant nests. Insects must be hit to be killed.

**BED BUGS:** Spray mattress lightly, particularly around seams and tufts. Take beds apart, spray bed frame and springs including all joints. Repeat as required.

**PESTS ON ORNAMENTAL PLANTS:**

For control of Aphids, Two-spotted Mites and Adult White Flies on the following plants: African Violets, Aralia, Christmas Cherry, Chrysanthemum, Cineraria, Diffenbachia, Fuschia, Gloxinia, Ivy, Lantana, Neathe Bella Palm, Petunia, Rose and Snapdragon. Spray when insects are noticed with a slow sweeping motion so that mist drifts on upper and lower leaf surface. Use with caution on new growth and tender foliage. Repeat as necessary.

**PRECAUTIONS:**

**KEEP OUT OF REACH OF CHILDREN.** Contents are under pressure. Do not place in hot water or near radiators, stoves or other sources of heat, or store at temperatures above 50°C. Cover fish bowls and remove pets for one hour when spraying rooms. In homes or dwelling, remove or cover all exposed foods and cooking utensils before spraying. Avoid contact with skin, eyes and clothing. Avoid inhalation of spray. Wash after using. Keep from freezing. Do not use on Maiden ferns.

**DISPOSAL:**

When container is empty, press button to release all pressure then dispose in household garbage. Do not puncture or incinerate.

**FIRST AID:**

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** This product contains petroleum distillates. Vomiting may cause aspiration pneumonia. Treat symptomatically.
