Established in 1969 by Dan and Cassy Kane, Kane Veterinary Supplies is a Canadian wholesale distributor and manufactures agent. Kane provides excellence in distribution of the highest quality, cutting edge, value-laden products to the veterinary, pet, agricultural and equine markets across Canada.

Today, Kane has two full-service branches – Edmonton, Alberta and Cambridge, Ontario. Day-to-day inventory consists of over 12,000 items including vet supplies and pharmaceuticals, pet food and toys, animal ID products, and pest control items.

In October 2007, Kane Veterinary Supplies Ltd. joined the Animal Health International, Inc. family group of companies. Kane Veterinary Supplies retained its name, management and employees. This opens a new chapter for Kane by offering access to an even wider range of products and services. The best is yet to come!
