Poultry Nesting Box - Open

The Little Giant Single Open Nesting Box is made of high-density, impact-resistant polyethylene that will not rust, rot, or corrode. The plastic surface is easy to keep clean and does not get as cold as metal. Hen-friendly design features an open back and top to allow better ventilation and easier access to eggs in some coops. The front edge helps prevent loss of bedding and the slightly graded floor leads to a back drainage hole. Mounts securely on wall with slide-type screw holes or sits squarely on a shelf.

Feeders & Waterers

Feeders - Galvanized

Feeder - Ground - Reel Top

These free spinning feeders discourage roosting. Curved feed-saving lip with snap-in reel makes cleaning easy. Made of heavy gauge galvanized steel and feature rolled edges for safety.

KVS	Size	Case	Part	Brand	Mfg.
115-120	18in	12	9818	Little Giant	Miller
115-122	24in	12	9824	Little Giant	Miller

Feeder - Hanging Corner

Works great for supplemental uses like feeding shells or grit. Space-saving corner design with built-in hooks for hanging in hutch or coop. Sturdy galvanized steel has rolled edges for safety.

KVS	Case	Brand	Mfg.
115-060	6	Little Giant	Miller

Feeder - High Capacity

This Galvanized High-Capacity Poultry Feeder comes completely assembled ready to store and dispenses up to 25 pounds of mash, pellet or crumble feed. The feeder easily mounts on wall or frame. The specially designed chute provides a steady food flow while feed saver grid prevents the bottom from overflowing and keeps birds from sweeping feed out of unit.

KVS	Size	Brand	Mfg.
115-115	25lb	Little Giant	Miller

Feeder - Mason Jar

This gravity chick feeder comes fully assembled and features a glass mason jar. Easy to fill and clean, it holds 1 quart of feed. The base is made of heavy-duty galvanized steel with rounded, embossed edges to help reduce chafing on chick's neck and head. Base includes eight feeding holes.

Feeders & Waterers

Founts

Fount - Plastic - Heated

This unique product is designed like a traditional plastic poultry fountain but has the added benefit of being able to use it during the winter. The base has a 100 watt thermostatically controlled heater built into it. During the winter, simply plug an extension cord into the base and the unit will work automatically, keeping the water in the 3 gallon reservoir from freezing down to 0F. It has a unique bottom-fill feature, and is ideal for year round use.

KVS	Size	Mfg.
216-422	3 Gallon	Farm Inn.

Fount - Plastic - Poultry

These large capacity waterers are dent-proof and easy to fill. The vacuum-sealing cap creates an automatic water flow. The rugged handle makes transport around the yard easy. Jar snaps compactly onto base. See parts section for schematics and parts list.

Incubation

Incubators

Automatic Egg Turner

Fits any Little Giant Circulated-Air or Still-Air Incubator. Electric motor automatically rotates the eggs to prevent the yolk from settling to one side and to exercise the embryo. Plastic cups hold 41 chicken eggs. (Turkey and duck eggs will not fit in this turner.) No assembly required. Dishwasher safe, easy to clean and operate. Quail rails for smaller eggs are sold separately.
