BRANCH INFORMATION

www.kanevet.com

Vision: To become the leading provider of products and services to our customers in the Canadian animal health market.

Mission: To develop a long-term, successful, strategic relationship with our customers and our vendor partners.

Values: Service to our customers is our primary duty and the most vital component to our partnered success.

Established in 1969 by Dan and Cassy Kane, Kane Veterinary Supplies is a Canadian wholesale distributor and manufactures agent. Kane provides excellence in distribution of the highest quality, cutting edge, value-laden products to the veterinary, pet, agricultural and equine markets across Canada.

Today, Kane has two full-service branches – Edmonton, Alberta and Cambridge, Ontario. Day-to-day inventory consists of over 12,000 items including vet supplies and pharmaceuticals, pet food and toys, animal ID products, and pest control items.

“A large part of our success is due to our diverse product selection – we offer items for the entire animal spectrum,” says Director of Canadian Operations, Steve Olsson. “This diversity is also displayed as a strength in our experienced staff members.”

In October 2007, Kane Veterinary Supplies Ltd. joined the Animal Health International, Inc. family group of companies (who in 2015 joined Patterson Companies Inc.).

Edmonton Branch:

11204-186 Street,
Edmonton, Alberta,
T5S 2W2

Phone: (780)453-1516 **Toll-Free:** 800-252-7547 **Fax:** (780)455-9874

E-Mail: kanevet@kanevet.com

Cambridge Branch:

30 Struck Court,
Cambridge, Ontario,
N1R 8L2

Phone: (519)740-0733 **Toll-Free:** 800-361-3232 **Fax:** (519)740-6419

E-Mail: tom@kanevet.com

Terms:

Terms are COD until approved by the Credit Department. Once approved, accounts are Net 30 days from the date of invoice.

All accounts with a past due balance of 31 days or more will be charged a late fee of 2% per month. All accounts, which have balances past due by 45 days or more, shall have their credit privileges suspended or revoked and orders will not be processed until the past due balance is paid in full. We reserve the right to remove any discounts if accounts go past due.

NSF cheques will be assessed a \$25.00 service charge. NSF cheques must be replaced immediately and prior to the release of any new orders with a certified cheque, bank draft or money order which includes the \$25.00 service charge.

Payments can be made by debit, company cheque and/or cash. Personal cheques are not accepted. Credit cards are accepted but may incur additional processing fees. Credit cards may only be used for accounts with current status.

It is to your advantage as well as ours to keep your credit account current.

Ordering:

Orders can be faxed, phoned or e-mailed.

Please provide the KVS item code number when placing orders.

All pick up orders must be placed a minimum of 4 hours prior to the expected pick up time, and must be picked up before 4:30pm. Our minimum order is \$25.00.

All orders are subject to GST/PST/HST where applicable.

All published pricing is subject to change without notice.

Prepaid Requirements:

In order to obtain prepaid shipping/deliveries on orders shipped to one destination, orders not including taxes must reach our minimum requirements.

With Pet Food:

- The Greater Edmonton, Greater Calgary and Red Deer area: \$1200.00
- British Columbia, Alberta, Saskatchewan, Manitoba and Western Ontario: \$1500.00
- Ontario: \$750.00
- Quebec: \$600.00
- Maritimes: \$800.00

Excluding Pet Food:

- British Columbia, Alberta, Saskatchewan, Manitoba, Western Ontario, Maritimes: \$750.00
- Ontario: \$500.00
- Quebec: 600.00

Orders may include a combination of pet food and accessories to meet the requirements.

Additional freight surcharges may apply to large or weight sensitive items.

Shipping / Deliveries:

All freight policies are subject to change without notice.

After shipments have been accepted by the carrier they become the property of the consignee. Therefore, any problems with the shipment (i.e. damaged or lost merchandise) should be directed towards the carrier within 48 hours. It is very important to count and inspect each piece of your shipment before you sign the transport company's Bill of Lading. It is the only way to ensure the carriers responsibility.

All claims of Kane shortages must be reported within 48 hours of receipt of goods.

Returned Goods Policy:

You must have the authorization of Kane Veterinary Supplies to return the goods prior to shipment. Please contact our returns department for a return authorization number.

Please enclose a copy of your original invoice with the product you are returning. An itemized list of product(s) being returned and a brief description of why the product is being returned must accompany all returns.

Any product returned for warranty work must have a copy of the bill of sale and a copy of the original invoice.

A minimum 15% recovery fee will be applied to all returns that are sent back due to customer error or out of season products.

Please ship all product returns back prepaid unless Kane's error.

No Credit will be allowed on the following products:

- Products unfit for resale due to improper storage, fire or flood damage, breakage, defacement
- Products with price stickers
- Products with broken seals
- Products sold with mention of "No Return"
- Non-dated merchandise over 1 year old
- Discontinued products
- Products manufactured/supplied on special order to customer's specification, except in the case of a manufacturing defect
- Expired or damaged product
- Short dated product (6 months or less) may be returned at a significant restock. For more information, call our returns department

Note:

Not all products are stocked or available in all locations.

01 - Betta Fish

Hikari

Betta Diet - Bio-Gold

Developed after considerable research into the eating habits and nutritional requirements of bettas. This floating pellet has been carefully balanced to meet the nutritional needs of your pet. The inclusion of premium-select fish meal which provides a superior protein source, Astaxanthin, which helps enhance coloration, Grape Seed Extract (polyphenol), which has been shown to reduce the impacts of aging and Spirulina, which naturally offers a high concentration of usable vitamins, make this a daily diet perfectly suited for bettas and their high stress nature.

KVS	Info	Size
F504-19101	Baby Pellets	0.09oz
F504-19110	Baby Pellets	0.70oz

Xtreme Aquatics

Betta PeeWee

Betta PeeWee is a 1.5mm pellet, just the right size for your Siamese fighting fish Bettas. A complete diet, blending shrimp, fish and krill meals with a portion of spirulina and some vitamins to boost the immune systems of these fish.

KVS	Size
F847-00157	0.6oz

Zoo Med

Betta Micro Floating Pellets

Betta food pellet specially formulated to intensify the colors of your fish.

KVS	Size
F53-BP-1	2.8gm / 0.1oz

Bettamatic Auto Daily Feeder

Zoo Med's Bettamatic is an automatic Betta feeder that feeds your pet on a daily basis. Perfect for trips out of town! Mounts directly to the side of tank, or use enclosed rail kit for round Betta bowls or other tanks.

03 - Bottom Feeders

Hikari

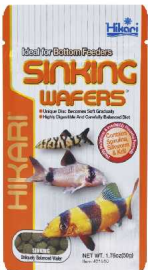

Algae Wafers

There were many reports of Plecostomus getting thinner with each passing day. To address this problem, Hikari began researching raw materials and production techniques to develop potential diets. After considerable experimentation, we developed the best ingredient formulation possible. Next we had to develop a pellet the fish would eat, one that wouldn't dissolve in water and allowed the nutrition to be accessed readily. The revolutionary disk shape was chosen because it complimented the way plecostomus eat.

01 - Air Pumps

Cobalt Aquatics

Air Pump - Phantom

The Cobalt PHANTOM air pumps feature innovative Ultrasonic technology to produce 7.9 gph of air up to 31½" deep. Perfect for small bowls and aquariums up to 29 gals. Incredibly quiet at only 35dB, and energy efficient with only 1.5W power consumption. The Cobalt PHANTOM air pump comes complete with integrated suction cup mount, airline tubing, and an airstone, so you are ready to go right out of the box.

KVS

01 - Air Pumps

JW Aquatics

Air Pump - Fusion

All our pumps have a patented baffle system, a series of chambers that are interlinked by small openings. These chambers not only absorb the sound, making the Fusion Air Pumps amazingly quiet, they also create pressure as the air is pushed through each small opening, producing a powerful air flow! Also features an air control knob, which gives the user optimal and precise air flow control!

KVS	Info

02 - Air Valves

JW Aquatics

Check Valve - Fusion

A duck bill styled valve that helps prevent backflow. This accessory is a useful tool when running anchor bubblers, activair ornaments, anchorstone sand airstones, and aircore sand airstones to prevent water from back flowing into the fusion air pump.

KVS
F367-21599

Gang Valve

Our Gang Valves rely on a needle valve, an incredibly accurate device allowing air to be adjusted in small increments to control the exact amount flow desired. Another great idea we incorporated is the hanger attachment, which enables the valve to be mounted securely on any size tank.

F367-21201	2-Way
F367-21202	3-Way
F367-21203	4-Way

03 - Air Stones & Bubblers

JW Aquatics

Bubbler

Creates a beautiful display of bubbles and can be placed anywhere in your aquarium. The clear blue anchors easily slide under the gravel and keep the bubblers in place. These amazing anchors prevent the bubbler from floating.

KVS	Size
F367-21230	6"
F367-21231	9"
F367-21232	12"
F367-21233	18"
F367-21234	24"

Sand Airstone

Ensure proper aquarium aeration with Aircore sand airstones. Made with pressed sand, aircore sand airstones allow even distribution of air throughout the entire airstone for dynamic bubble production. Crenellated (notched) design increases bubble producing surface area for the production of more aquarium-aerating bubbles.
